GIVE BOARD APPOINTIVE POWER

FREEHOLDERS FIX SALARIES FOR COUNCIL AT \$50 MONTH

Very little was accomplished at the meeting of the board of freeholders last night in the way of framing a new charter, except it was tentatively agreed by a majority present that things are to go on much in the same manner in the future as in the past. Salaries were fixed for the councilmen at \$50 per month and it was decided that the council shall appoint all administrative officers.

Freeholder Garrard expressed himself as being opposed to electing minor officers, for he said that if the matter was left up to the discretion of the people that it would lead to a great deal of petty politics being injected into municipal campaigns. Judge Hall, city attorney, who was among those present, declared that Richmond under her present appointive system has as good and competent a set of officials as can be found in any city in the state of California.

Freeholder T. G. Conn offered a suggestion that several of the offices of the city be combined in the interests of efficiency and economy. He believes that the office of tax collector and treasurer should be held by the same individual and also the office of auditor and assessor should be included under one head.

GENERAL WATER HEARING-HALL

A general rate hearing for all east bay cities receiving water from the Peoples Water company may be held by the Railroad Commission instead of individual ones, according to City Attorney Hall today.

CONSERVATISM

Conservatism has well been described as "a dam of experience holding back the unrestrained rush of hope."

The degree of conservatism in a bank has a great deal to do with the safety of its funds, and with the service depositors receive. We invite accounts in the belief that our conservatism will be found genuinely constructive, and not obstructive.

Bradnor of the Shattuck avenue Methodist Episcopal church. Those attending were J. C. Owens, B. H. Schapiro, F. Foreman, George McPherson, Paul Edwards, Miss E. Wilbur, B. H. Griffiths, City Clerk A. C. Faris, City Engineer H. D. Chapman, and W. H. Sanford of this city.

NEW OFFICERS ARE CHOSEN BY COURT OF HONOR SOCIETY

They are: Leon Cobb, chancellor; Charles Fessenden, vice-chancellor; David Stratton, recorder; Corda O'Brien, chaplain; Eva Fessenden, conductor; Evelyn Stratton, guard; Kurt Mews and Hazel Hill, trustees. \$2500 FIRE AT STEAGE AT EARLY HOUR THIS MORN

A fire which broke out in a cottage at Steage junction last night destroyed the structure, a windmill and a tank house. The loss is estimated at \$2500.

The fire was discovered at 3 o'clock this morning. Italian laborers occupied the cottage at the time of the blaze. None sustained any injury.

HEARINGS TO BE POSTPONED

A special hearing which the city attorney was planning to hold with officials of the Atchison, Topeka and Santa Fe Railway company in Los Angeles may be postponed owing to Chief Counsel Camp of the company being away on a vacation.

The hearing was relative to crossings over the company's Oakland branch.

YARNELL HEARING IS POSTPONED BY JUDGE

Police Judge Hiram Jacobs yesterday postponed the preliminary hearing of Harry DeGregorio and Mrs. Hazel Yarnell, charged with adultery, indefinitely owing to a crowded calendar.

The case will in all probability come up the first part of October.

HOLD MEETING
Royal Arch Masons held a special meeting in Bank hall last night.

NEW FURNITURE CO. PURCHASES SCHROCK PLANT IN RICHMOND

The Shrock furniture factory, which has been idle for the past six months or more, has again begun operation and is in the hands of C. N. Thomas, an experienced manufacturer of furniture, who purchased the plant of the Merchants National Bank of San Francisco. Mr. Thomas has a force of men at work in the factory at the present time, renovating the plant and machinery and will be in readiness to begin active operations in a few days.

For the present the new proprietor of the furniture factory will specialize in the manufacture of tent furniture, but later on expects to manufacture all kinds of furniture and will also put out a line of modern collapsible bungalows. The force of men employed will be increased from time to time as the business expands. For the present a moderate force is under employment.

Mr. Thomas, who is one of the leading manufacturers of the Pacific coast, was induced to purchase the Schrock furniture factory by Secretary J. A. Long, of the Richmond Chamber of Commerce. He is a very progressive business man and expects to have his plant working to full capacity in the course of a month or two.

DANVILLE COUPLE SEPARATE IN S.F.; NO TRACE OF HUSBAND FOUND

Failure of the police to find John Ryan and his three children, who disappeared a week ago in San Francisco, has brought Mrs. Ryan, wife of Ryan and the children, the oldest of whom is 6, has been discovered. Mrs. W. E. Paul of Danville, mother of Ryan, today telephoned the police asking that a general search be started at once, private investigation having failed to bring forth any trace of Ryan and the children.

CONGRESSMAN DINNER GUEST TONIGHT

Congressman Charles F. Curry will be entertained with dinner at the Elks club at 6:30 o'clock tonight. Invitations for the dinner have been sent to the city officials and officers of the Richmond Chamber of Commerce.

Curry will speak on Richmond's chances for a harbor appropriation from congress.

LIBRARY TRAINING TO START OCT. 2

Richmond public library will begin its work October 2. The class is small this year and further applicants will be received during the next two weeks. Graduates from this training class will be used immediately as substitutes and when openings library.

S. F. EARTHQUAKE STORIES AT LIBRARY

As the last of a series of California story hours, San Francisco stories will be told on Saturday at the library. The inspiring story of James King of William, and what he did for San Francisco at the sacrifice of his own life and the formation of the vigilance committee, which followed, will be related. The excitement and horrors of the earthquake and fire will be pictured in the story of "Billy Tomorrow," by Carr, and something of the wonderful city which rose from the ashes of the calamity, in almost a night, like Jack's beanstalk, will be told.

The story hour commences at 3 p. m. in the children's room at the public library.

POLICE JUDGE MAKES APPEARANCE IN COURT

(Special to Record-Herald)
MARTINEZ, Sept. 29.—Attorney Hiram Jacobs of Richmond is appearing in court today in the divorce case of John I. Moore of Richmond, seeking a divorce on cruelty charges from his wife.

J. A. LONG

Secretary Long of the Chamber of Commerce is doing an excellent work for Richmond. At the present time he has three new industrial establishments which are quite sure to locate here and these will bring to us a large number of new people and a substantial increase to the financial resources of this city.

NEW SUIT MAY STOP OTHERS

(Special to Record-Herald)
MARTINEZ, Sept. 29.—What is supposed to be a suit to quiet title but is in reality an effort to prevent further suits for sewer assessments in the Pullman tract at Richmond, was filed by Mrs. Henrietta P. Watkinson against Contractor Fred Meyers, a Richmond contractor today. It is understood that today's suit will forestall any effort on the part of G. H. Stokes, representing George Wall, to file further claims against the Pullman property.

AT MARTINEZ
Coroner C. L. Abbott was a business visitor at Martinez yesterday.

TICKET CLERK WILL VISIT IN THE EAST

R. C. Fetter, ticket clerk at the Southern Pacific offices, has departed for the east. He is accompanied by his wife and daughter. During his absence his position will be filled by David Rico.

Nobody wants to take any of the honor away from the District Attorney; nobody desires to perform the functions of his office, but on the contrary everybody in the county, including the members of the Richmond Public Welfare league who are all taxpayers, want him to do his work and receive the credit which is due him—BUT

154

Days have passed since the office of the District Attorney was asked to take action in the matter of eliminating redlight houses in Richmond, yet he has done nothing; affidavit was filed with him, in accordance with statute, specifying the time and place, but he has failed to take action. This neglect of duty is being talked of all over the county. People are wondering if he is going to do the work assigned to him by law and if not,

WHY?

NO INSTITUTE FOR TEACHERS OF THIS COUNTY, SAYS HEAD

(Special to Record-Herald)
MARTINEZ, Sept. 29.—There will be no county teachers' institute held in Contra Costa county next spring. Discarding the old method, for this year at least, County Superintendent W. H. Hannon has announced that the institute will be held in conjunction with the California state teachers' association meeting in Oakland during the week before Easter. In this connection Superintendent Hannon is mailing the following communication to all teachers in Contra Costa county:

"I have tried to plan for a local teachers' institute for this fall, but find that I could not make satisfactory arrangements for an institute that would really be worth while for our teachers. We have heard most of the prominent institute lecturers available, and it seems that we have used up about all the supply."

HURLED FROM CAR AS PILOT MAKES QUICK TURN IN FOG

Mrs. E. Eisenberg, wife of Ernest Eisenberg, shoe merchant of 605 Macdonald avenue, is at the Park hospital in San Francisco recovering from injuries received in an auto accident at Tenth avenue and Geary street, that city last night.

Eisenberg himself was slightly injured. With the Eisenbergs in the car were H. Bauer, 1127 Golden Gate avenue, who was piloting the machine, his two children, Earnestine, 6 years of age, and Julian, 4 years old, Ruth Harris, 272 Jersey street and George Mendelsohn, 1127 Golden Gate avenue.

Bauer was driving his car through the night fog. Suddenly a Geary street car loomed ahead of him. Turning quickly to avoid striking the car he turned the machine completely over.

Mrs. Eisenberg and Miss Harris were rendered unconscious by the shock. They were at first treated at the French hospital and later at the Park hospital.

PENNINGTON MAY GO FREE, RESULT OF HUNG JURIES

Rather than incur any more expense in an effort to secure a conviction against William Pennington, a cement worker, charged with battery by 12-year-old Paul Gayhart, it is probable that the case will be dropped. Mention was made of this at the conclusion of Pennington's trial yesterday when a jury disagreed in the case for the second time.

MACCABEES TO RECEIVE HEADS

Members of Richmond lodge of Maccabees will hold a special meeting in Pythian hall Monday night at which time preparations will be made for the reception of 200 past commanders to take place Thursday. Mrs. Minnie Aydelotte, supreme chief of the state, will be the principal guest of honor.

NOTES FROM THE PLAYHOUSES

OAKLAND ORPHEUM

Any theatergoer who fails to find a lot of fun and fine entertainment in Alan Brooks' new play called "Dollars and Sense" at the Oakland Orpheum this week will be a theatergoer who is very hard to please. Brooks will be remembered by a lot of people as the long-legged chap who twined his legs around a spiral stair case while semi-intoxicated, in a sketch that he produced at the Orpheum last year. He has stepped very far away from that character in his new play and actually has something new under the sun to offer in vaudeville. His stage is set in three scenes and the acting of the play shifts over a period of several years. Brooks has singled a lot of fun with considerable tragedy in his play and he is entitled to a lot of credit for getting up something that is both clever and novel. The play made the biggest kind of a hit on Sunday at the Orpheum and is pretty sure to be talked about all over town during the remainder of the week. "Pianocops" is the simple term used to describe the antics which Al and Fannie Stedman indulge in. Miss Fannie is a buxom miss and a natural funmaker. Fun comes from her like sparks from an "emery wheel." She is a fun dynamo. Al Stedman at the piano keeps up the pace and the two of them have a big batting average in the fun column.

One of the biggest hits on the bill at the Orpheum is made by Dunbar's Old Time Darkies. There are four of these fellows, all with fine voices and all of them good comedians. They are big favorites with the crowds.

Willard, known as the man who grows, is a physical marvel. He expands in full view of the audience and grows before one's very eyes in the most mysterious fashion. He is another act that will be town talk.

The Orpheum Players are seen in "The Ghost Breakers," a four-act play which had a big run in New York and is really a fine play. There are some dandy thrills in it. A lot of laughs and an hour and a half of clever entertainment through out.

The Orpheum people announce that they are soon to make a big production of Potash & Perlmutter, one of the most expensive plays of recent years.

DUPONT EXPLOSION DENIED BY BILLINGS

(Special to Record-Herald)
SAN FRANCISCO, Sept. 28.—Warren K. Billings, in his cell at the city prison, today denied a story received from Denver last night to the effect that he had plotted to blow up the DuPont de Nemours Powder company in Adams county in 1915.

Admitting that he had been arrested twice in Denver last year, Billings flouted the story of the alleged dynamite plot told by V. V. Graves, a prisoner in Denver.

"I met Graves while I was in Denver," said Billings. "We were both out of work and were discussing the explosions of munitions works. I suggested that we see the German consul in Denver and pick up some easy money. I was only joking, of course. I never heard of the DuPont powder works in Denver."

LOCAL TEAM HAS MAJOR LEAGUE IDEA WITH BUSH MONEY

It would take a detective to keep track of the new faces that continue to appear in the lineup of the Richmond Elks each Sunday.
It's nice to get ex-leaguers, nice to see them show off some of their feather-edge tactics, and all that, but what does it bring Richmond in the end.
Certain fans of this city are wondering why the directors of the Elks don't inform the manager to choose nine good ball players, though they come from the ends of the earth, and use these for at least two Sundays in succession. Fans are tiring of this thing of seeing new men appear, go away, others take their places, and throughout the whole procedure to see none of the team work of olden time.
These ex-stars from the bushes appear on any team just for the benefit which they themselves will derive from their personal playing. As for the general advancement of the team they do not care the snap of their fingers.
Like one fan said: "The local management has major league ideas with a bush league treasury."
But one more month remains in the present year for baseball and Richmond has but two players who it can bank on staying and playing next year. This alone has led to much criticism from San Francisco sporting writers.

FANS PROTEST TO HIGH PRICE SEATS FOR WORLD'S SERIES
BROOKLYN, Sept. 29.—Brooklyn baseball fans are up in arms over the prices for the world's series tickets announced by President Ebbets in the event that the Dodgers win the National league race. According to Ebbets, the prices at Ebbets field will run from \$5 for boxes and blocks of grandstand seats down to \$1 for the left field bleacher seats. At capacity, Ebbets field will hold approximately 30,000 persons.

DODGERS WHO WILL SHARE IN RECEIPTS OF WORLD'S SERIES
BROOKLYN, Sept. 29.—Twenty-two Brooklyn players are eligible to compete in world's series if played at Ebbets field. They are: Edward Appleton, L. R. Cheney, J. W. Coombs, George W. Cutshaw, Jacob E. Daubert, W. G. Dell, Gustav Getz, James H. Johnston, Walter Mails, R. J. Marquard, John T. Meyers, Otto Miller, H. H. Mowrey, Fred Merkle, H. H. Myers, I. M. Olson, Ollie O'Mara, Edward J. Pfeffer, G. N. Rueker, Sherrod M. Smith, C. D. Stengel and Zack Wheat.

HIGH RUGGERS PLAY IN OAKLAND TOMORROW
The local rugby team will play the Oakland university high Saturday at Bushrod park, Oakland. The team expects to beat the Oakland team again. The high school team has been going through some stiff practice under the supervision of Coach Boyer and Captain George Peres.

ACQUIRE LAND VISALIA, Sept. 29.—Reversing a decision of the local land office, the general land office in Washington has awarded the Associated Oil company title to oil lands worth \$4,000,000. The Eight Oil company, contendor for the lands, expects to appeal to the department of the interior.

MARGUERITE CLARK, IN A Dainty FAIRY PLAY AT RICHMOND TONIGHT

BLANCHE SWEET, starring in "Public Opinion," which will be shown at the Richmond theater October 4 and 5. In it Miss Sweet saves an innocent girl from going to jail for the crime of another.

When lovers meet and woo and wed the silly geese think that they are determining their own fates? Do the swains believe that they are so handsome that the girls cannot resist them and do the lassies think that it is their laughing black eyes and saucy smiles that lure the men to propose? Then they ought to pause in their laughter some night and they might catch a faint whisper behind them. It is the fairies discussing whether or not they are suited to each other! If the fairies decide that they are ill-mated, they will quarrel and part. If they seem to the little eavesdroppers to be ideally matched, then they will kiss.
That, at least, is what the little Lady Eileen firmly believes in the Famous Players production of that name in which Marguerite Clark is starring at the Richmond theater today and Saturday. For Eileen is Irish, with all the rare charm and all the imaginative gifts of the Irish—and she believes in the fairies with all her heart and soul.
And why shouldn't she? If it were not for them how would she ever have found her true love and how would she ever have been rescued from the drunken brute of an impostor who married her for her money when she never knew she had any herself? Only the good fairies could have brought big Stanley Churchhill to her when she never knew that he existed and only the elf of the air could have rolled the giant boulder down up his fleeing brother as he galloped away in cowardly fear after he had nearly killed Stanley for rescuing the crying Eileen.

JOHANNA GADSKI WILL STAR IN "AIDA" AT S. F. ON SATURDAY EVE

When the Austrian government detained the Bohemian singer, Emma Destinn, on the eve of her departure for America, it looked for a few strenuous days as if the success of the mammoth open air production of Verdi's "Aida," on Ewing field, Saturday evening, September 30 was seriously imperiled. But the management rallied to the occasion and secured, at a greater cost, the services of Johanna Gadski, and the role of "Aida" was again in the hands of an artist of first-class stellar rank. The opera is to be given for the benefit of the Youths' Directory and San Juan Bautista mission.
The stage on Ewing field is now complete. It is the largest ever constructed in the west. The dimensions are 150 feet deep by 125 feet wide. It is five feet from the ground in front and seven feet at the back, giving a gradual rise of two feet, making the whole stage incline upward toward the back in order to increase the visibility of the scene to the audience. The proscenium arch is 100 feet high. All the other dimensions are on a similar stage of grandeur. The scenery, constructed here in San Francisco, in seven sets, is the largest ever made west of Chicago.

YALE PREPARING FOR FINAL GAME WITH HARVARD

NEW YORK, Sept. 29.—If Yale should beat Harvard during the football season just beginning, a long list of explanations will be offered to fit the case. Among the most prominent will be these:
First—Yale's new coaching system, with Tad Jones at the head. Mike Sweeney acting as his right hand man and Walter Camp lending his expert advice.
Second—Loss of efficiency in Harvard's coaching system, because Percy Haughton has had to devote much of his time to affairs of his ball club, the Boston Braves.

RAT CAMPAIGN TO BE OPENED IN ADJOINING CITIES SOON

So successful is the Richmond rat campaign proving that City Health Commissioner C. R. Blake is planning to expand his activities into Pinole, Hercules, Albany, San Pablo, Berkeley and Oakland.

With the new proposal of the city council to pay a bounty of five cents for each rat, Blake is of the opinion that it will not be long before the rodents are eliminated.

A copy of the letter which the health officer is sending to the various cities follows:

Dear Doctor:

We would like to know if your city would care to enter into a rat campaign with all the east bay cities.

At the request of the United States public health service, we have an official rat catcher here, and about two hundred traps working, but think we could do a great deal better if we paid a bounty of five cents a rat, but one city cannot do that alone, as rats would be caught in one city and then brought to the city paying the bounty, and no way to prove where they were caught.

We all know that rats are great carriers of disease, especially plague. They are also one of the most destructive pests we have to deal with, costing merchants, warehousemen and farmers thousands of dollars every year, and we know that the small amount of money that might be spent for the capture of rats will be one of the best investments that can be made, both for health and sanitation.

We have written a similar letter to Antioch, Crockett, Pittsburg, Pinole, Hercules, Albany, Berkeley, Oakland, Alameda and Martinez, and hope to receive a favorable reply from all.

By all the cities mentioned going into this campaign we can get results, and at any time if results are not satisfactory, it can be stopped. It will give all our schoolboys a chance to make a little money, if the papers give it sufficient publicity, which they will do, and as the expense is not likely to be a very heavy drain on any city, and the results will be so far-reaching, we hope that we will receive a favorable answer from our city, so that we can all soon engage in this great campaign.

Yours very truly,
C. R. BLAKE, M. D.
Health Commissioner of Richmond.

Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water

Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls with nasal or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headaches, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do. advt.
